Initiative No. 07-0005

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

REDISTRICTING. CONSTITUTIONAL AMENDMENT. Amends process for redistricting California's Legislature, Board of Equalization, and U.S. House of Representative districts. Establishes Citizens Redistricting Commission comprised of 11 qualified registered voters formed by the Secretary of State pursuant to detailed selection process. Requires Commission to submit redistricting plan, consistent with specified criteria, after each national census. Requires Commission to hold public hearings and receive public input before finalizing the redistricting plan. Requires legal challenges to be made within 45 days of certification of plan. Subjects adopted plan to challenge by referendum. Summary of estimate by Legislative Analyst and Director of Finance of fiscal impact on state and local governments: Potentially increased redistricting costs every ten years—probably of less than \$1 million. Any such costs would be accommodated within the Legislature's existing budget. (Initiative 07-0005.)
